Crest!*

Build a cabin among the Giant Sequoias! This very buildable lot is one of the very few available lots in Sequoia Crest, a primarily vacation home subdivision located in a private Giant Sequoia grove within the Giant Sequoia National Monument. It is located on the East edge of the subdivision, so no cabins will be built on that side of the lot. With water, electricity, and cable TV/Internet available at the street, it's ready for your vacation cabin!
