This meticulously cared for Sequoia Crest custom cabin has the privacy and mountain feel of a secluded retreat but with all the comforts of home. Open floor plan, knotty pine ceilings, wood beams, and decks on both floors add to the mountain experience, while a mud/laundry room, central heat, wood stove, and spacious kitchen allow extended visits in comfort. The unusually flat lot features rock walls, Giant Sequoias, and an Indian grinding boulder. Purchase the additional lot next door with this cabin for additional privacy.
